**[C]** There's a young man **[Am]** that I know whose **[F]** age is

Someday **[Dm]** soon, goin' **[G7]** with him someday **[C]** soon

**[G7]** But when he comes to call, my pa ain't **[F]** got a good word  
to **[C]** say

**[Am]** Guess it's 'cause he's just as wild **[D7]** in his younger **[G7]** days

So **[C]** blow, you old Blue **[Am]** Northern, **[F]** blow my love to **[C]** me

He's **[Em]** ridin' in tonight from Cali-**[F]**forn-**[G7]**ia

He **[C]** loves his damned old **[Am]** rodeo as **[F]** much as he loves **[C]** me

Someday **[Dm]** soon, goin' **[G7]** with him someday **[C]** soon

So **[C]** blow, you old Blue **[Am]** Northern, **[F]** blow my love to **[C]** me

He's **[Em]** ridin' in tonight from Cali-**[F]**forn-**[G7]**ia

He **[C]** loves his damned old **[Am]** rodeo as **[F]** much as he loves **[C]** me

Someday **[Dm]** soon, goin' **[G7]** with him someday **[C]** soon

**[G7]** But when he comes to call, my pa ain't **[F]** got a good word to **[C]** say

**[Am]** Guess it's 'cause he's just as wild **[D7]** in his younger **[G7]** days

So **[C]** blow, you old Blue **[Am]** Northern, **[F]** blow my love to **[C]** me
